**UCSF Clinical and Life Sciences Building at Power Station Block 2**

The University of California, San Francisco (UCSF) Health is seeking an Art Consultant to help build the UCSF Clinical and Life Sciences Building at Power Station Block 2.

The Power Station Block 2 (PSB2) UCSF Clinical and Life Sciences Building is ~310,392 SF and consists of (10) floors, (7) of which are within the scope of this project. There are two basement levels to support outpatient proton therapy treatment and research, one level with the public lobby and back of house spaces, and four levels of multispecialty outpatient clinics, a procedure center, infusion center, pharmacy and lab.

It is expected that the Art Consultant services will begin in August 2026 and continue through January 2029. Art Consultant Services fees will be negotiated prior to contract award. The Art Consultant will provide consulting services to the UCSF Clinical and Life Sciences Building Power Station Block 2 (PSB2) project for the acquisition of artworks, including the creation of commissioned site-specific artworks from various artists.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each responding firm may be required to show evidence of its equal employment opportunity policy.
