

ADVERTISEMENT FOR BIDS

Subject to conditions prescribed by the University of California, San Francisco, sealed bids for a Long Form Lump Sum Contract are invited for the following Work:

FIN - MB Helen Diller Roof Fall Protection

Project No.: C1956278

UNIVERSITY OF CALIFORNIA, SAN FRANCISCO

DESCRIPTION OF WORK:

Upgrades to the fall protection and façade access systems.

Scope of Work

- Installation of new permanent and ballasted guardrail systems, fall protection, and façade access components throughout the building.
- Work includes:
 - Tie-back anchor connectors
 - Horizontal lifelines
 - Portable outrigger systems and supports
 - Outrigger beams
 - Monorail systems and trolleys
 - Crossover platforms and access platforms

Architectural & Building Systems Coordination

- Associated architectural and building system modifications, including:
 - Waterproofing repairs
 - Ceiling and finish patch-back
 - Restoration of all disturbed finishes
- Coordination with existing life safety systems, including fire alarm and detection systems, which must remain operational during construction.

Interior Atrium work

- Selective ceiling and soffit modifications to support the installation of monorail façade access systems.
- Work includes:
 - Cutting and patching existing soffit framing, ceiling tiles, and finishes
 - Installation of supplemental structural supports and monorail tracks
 - Restoration of fireproofing, waterproofing, and architectural finishes to match existing conditions
- Work shall be performed to minimize disruption to building operations and occupants through:
 - Verification of existing conditions
 - Protection of the adjacent curtain wall and building components
 - Dust control and noise management

The following contractors have been prequalified to bid on this project and the University will **ONLY** receive bids from the following:

General Contractors

COBE Construction Inc.

Marvin Collins Construction

Medical Facilities Solutions LLC DBA MFS Construction

PROCEDURES:

Bidding Documents will be available Bidders on May 14, 2026 at 12:00PM on BuildingConnected. Visit the University of California Public Plan Room at

<https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>

A mandatory Pre-Bid Conference and mandatory Pre-Bid Job Walk will be conducted on May 21, 2026 beginning promptly at 8:30AM. Participants shall meet at UCSF Campus – Mission Bay, Helen Diller Family Comprehensive Cancer Center (HD), Conference Room 291, 1450 3rd Street, San Francisco, CA 94158. Only bidders who participate in both the Conference and the Job Walk in their entirety will be allowed to bid on the Project as prime contractors. For further information, contact University's Project Manager, Darrick Lo at 415-529-8908.

Bids are to be submitted to The Regents of the University of California ("University") using BuildingConnected as this is an electronically sealed bid project. Bids must be submitted at or before June 5, 2026, 2:00PM for furnishing all labor, materials, services, and equipment to complete the Work described below in accordance with the enclosed Bidding Documents. If you have any issues using BuildingConnected, go to their support hub and click the '?' symbol at the bottom left corner to access their Knowledge Base, initiate a live chat, or send a message to the BuildingConnected team.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy. The successful Bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the Bidding Documents and to pay prevailing wage at the location of the work.

In addition, the University is committed to promoting and increasing participation of small business enterprises (SBEs) and disabled veteran business enterprises (DVBES) relating to all goods and services covered under the awarded agreement, subject to any and all applicable obligations under state and federal law, and University policies. The awarded contractor shall make best efforts to provide qualified SBEs and DVBES with the maximum opportunity to participate. Please contact REOutreach@ucsf.edu for further information.

The work described in the contract is a public work subject to section 1771 of the California Labor Code.

No contractor or subcontractor, regardless of tier, may be listed on a Bid for, or engage in the performance of any portion of this project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 and 1771.1.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

REGISTER AT THIS LINK: <https://services.dir.ca.gov/gsp>

[The contractor registration link is on the right side.]

The successful Bidder shall pay all persons providing construction services and/or any labor on site, including any University location, no less than the UC Fair Wage (defined \$15 per hour) and shall comply with all applicable federal, state and local working condition requirements.

The successful Bidder will be required to have the following California current and active contractor’s license at the time of submission of the Bid:

LICENSE CLASSIFICATION:	General Building
LICENSE CODE:	B

ESTIMATED CONSTRUCTION COST: \$950,000
