**Project Title:** Mission Bay Block 16A Building

**Project Applicant:** University of California, San Francisco

**Parties Undertaking Project:** University of California, San Francisco

**Project Location:** Block 16A and a portion of Block 16B, UCSF Mission Bay North Campus

**County:** San Francisco

**Project Description:** The proposed Mission Bay Block 16A Building would provide a world-leading center for clinical care and research for ear and hearing disorders. The proposed 153,600-GSF building would comprise five above-ground levels, with the fifth level shelled for future expansion. The project would be donor-developed and would provide space for wet laboratory research, translational research, and clinical services in advancement of care for ear and hearing disorders.

This Notice of Determination is to advise that the University of California  Lead Agency has approved the above-described action on May 6, 2026, and has made the following determinations:

1. The Project  would not cause any significant environmental impacts nor an increase in the severity of significant impacts previously studied in the 2014 LRDP Final Environmental Impact Report.
2.  Addendum #6 to the 2014 LRDP Final EIR was prepared for this project pursuant to the provisions of CEQA.
3. Relevant mitigation measures  from the 2014 LRDP Final EIR were made a condition of the approval of the project;
4. The implementation of applicable 2014 LRDP Final EIR mitigation measures will be monitored through the project's Mitigation Monitoring and Reporting Program
5. Findings  were made pursuant to the provisions of CEQA.

This is to certify Addendum #6 and the 2014 LRDP Final EIR with comments and responses and a record of the project approval are available to the general public at: <https://realestate.ucsf.edu/reports>, University of California San Francisco Campus Planning, 654 Minnesota Street, 2nd Floor, 94143 Attn: Diane Wong (415) 502-5952.
