Opportunity Notice

The University of California, San Francisco (UCSF) – Real Estate is seeking bids from qualified contractors for Project: **MB Block 15 Interim Public Parking (PRJ-000591)**. The successful firm shall provide architectural and engineering services.

The goal of this project is to provide public parking at Block 15 to comply with current code and UCSF public parking standards and revise existing crosswalk at Nelson Rising Lane/Sixth Street.

The estimated construction cost range for the project is \$3,500,000.

The license classification and code is Architectural, Engineering.

The Bidding Documents will be available to bidders on January 30, 2026. Firms are required to register and complete the registration form at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>. Firms can obtain the documents from the issuing office through the online bidding system, Building Connected.
