Opportunity Notice

The University of California, San Francisco (UCSF) – Real Estate is seeking responses to the University's prequalification documents for **PRJ-000184 MB GH HVAC OPTIMIZATION**.

The purpose of the project is to implement energy performance improvement measures related to interior lighting. The lighting scope includes an upgrade across all five floors of the existing building.

The estimated construction cost range for the project is 4,000,000.

The license classification and code is General Building (B).

The Prequalification Documents are available. Firms are required to register and complete the registration form at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>. Firms can obtain the documents from the issuing office through the online bidding system, Building Connected.

Responses **MUST** be received no later than **June 22, 2026 at 2:00PM** in order to be considered.

If you have any questions, please contact Daham Walgama at daham.walgama@ucsf.edu or Beatrix (Trixie) Balais at Beatrix.Balais@ucsf.edu
