

Opportunity Notice

The University of California, San Francisco (UCSF) – Real Estate is seeking responses to the University's prequalification documents for **PRJ-000543 PH CAMPUS FIRE WATER SYSTEM**.

The purpose of the project is to upgrade and automate existing campus fire water pumps to comply with current NFPA codes. Upgrade/extend underground fire water system to provide redundant connection from Parnassus Avenue, install pressure reducing valves at select buildings, and double check valve assemblies (DCVA) to separate Campus from HCAI facilities.

The estimated construction cost range for the project is \$4,500,000.

The license classification and code is B - General Building.

The Prequalification Documents are available. Firms are required to register and complete the registration form at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>. Firms can obtain the documents from the issuing office through the online bidding system, Building Connected.

Responses **MUST** be received no later than **Wednesday, 11/26/2025 at 2:00 PM** in order to be considered.

If you have any questions, please contact Ted Meyer at ted.meyer@ucsf.edu or Tra Thanh at tra.thanh@ucsf.edu.
