Opportunity Notice

The University of California, San Francisco (UCSF) – Real Estate is seeking responses to the University's prequalification documents for **C1956248 FIN - MB Helen Diller Roof Fall Protection**.

The scope of this project consists of upgrades to the fall protection and façade access systems at an existing occupied building. The scope of work includes installing new ballasted and permanent guardrail systems, anchorages and horizontal lifelines, access platforms, monorail systems, and portable outrigger systems, along with associated supports and beams.

The estimated construction cost range for the project is \$1,000,000.

The license classification and code is B – General Building.

The Prequalification Documents are available. Firms are required to register and complete the registration form at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>. Firms can obtain the documents from the issuing office through the online bidding system, Building Connected.

Responses **MUST** be received no later than **Monday, March 2, 2026 at 2:00 pm** in order to be considered.

If you have any questions, please contact Darrick Lo at darrick.lo@ucsf.edu or Lisa Trogdon at lisa.trogdon@ucsf.edu.
