Opportunity Notice

The University of California, San Francisco (UCSF) – Real Estate is requesting written responses to this Qualification Packet from qualified individuals to serve as members of the UCSF Seismic Review Committee (SRC). Individuals may be affiliated with firms or organizations. Selected members will provide structural peer review and other advisory services for UCSF projects.

The purpose of this project is to establish a Seismic Review Committee (SRC), which provides structural peer-review and other advisory services for UCSF projects. The SRC provides technical expertise and advice to University staff responsible for ensuring conformance with the University of California Seismic Safety Policy. The SRC also coordinates technical issues and engineering standards with the University of California Seismic Advisory Board (UC SAB).

The license type is: Engineering

The RFQ Packet is available on April 21, 2026. Firms can obtain the RFQ Packet by completing the registration form at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>.

Responses **MUST** be received no later than **Tuesday, May 12, 2026 at 12 Noon** in order to be considered.
