REQUEST FOR QUALIFICATIONS for Architectural/Engineering Design Services

The University of California, San Francisco (UCSF) – Facility Services is requesting written responses to this Qualification Packet from qualified firms to provide professional consulting services for the PRJ-000691 PH HSIR FY27 ADA TRNSITION PLN project. The successful firm shall provide architectural/engineering and accessibility design services.

The project is part of UCSF's ADA Transition Plan program and will address existing accessibility barriers identified through the University's facility accessibility survey and transition planning process. Work will occur throughout HSE and HSW, two 16-story occupied research buildings containing biomedical research, laboratory, animal research, and associated support spaces. The project will require careful coordination with ongoing building operations, research activities, and other stakeholders while implementing accessibility improvements throughout both facilities.

The license type is: Architectural, Engineering

The RFQ Packet is available on August 26, 2026.

Firms can obtain the RFQ Packet by completing the registration form on BuildingConnected at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>

Final selection and appointment is contingent upon funding and budget approval. Every effort will be made to ensure that all persons, regardless of race, religion, sex, color, ethnicity and national origin have equal access to contracts and other business opportunities with the University. Each candidate firm will be required to show evidence of its equal employment opportunity policy.

For technical inquiries not covered by this Qualification process, please submit your inquiry using BuildingConnected.

Responses MUST be received no later than **Thursday, September 17, 2026 at 12:00 PM** in order to be considered.
