

REQUEST FOR QUALIFICATIONS
Architectural/Engineering Services
PRO-000232
Ambulatory Care Center (ACC) Freight Elevator Modernization

The University of California at San Francisco Medical Center (UCSFMC), Design & Construction is seeking responses to this Request for Qualifications for Architectural/Engineering (A/E) services related to the Ambulatory Care Center (ACC) Freight Elevator No.3 Modernization project located at 400 Parnassus Avenue, San Francisco, California. Submittals will be accepted from Design Professionals with established track record in Elevator Modernization and Retrofitting particularly as it relates to and California State Fire Marshal (CSFM) jurisdiction.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Candidate Firm will be required to show evidence of its equal employment opportunity policy.

A complete RFQ package can be obtained from the issuing office through the online bidding system, BuildingConnected, after registering as a new supplier and completing the registration form through the following link: <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>

Please contact Alison Kang at Alison.Kang@ucsf.edu if you need further information or clarification of the RFQ process.

Responses to the RFQ are due by 2:00 p.m., Thursday, November 13, 2025.
