REQUEST FOR QUALIFICATIONS for Engineering Services

The University of California, San Francisco (UCSF) – Real Estate is requesting written responses to this Qualification Packet from qualified firms to provide professional design services for the UCSF Bakar Research and Academic Building (BRAB) project (PRJ-000233) project. The successful firm shall provide services to design seismic anchorage for lab equipment services.

The purpose of the project is to review the equipment and furnishing list to confirm that all items requiring seismic restraint have been identified and prepare a detail for each item requiring seismic restraint.

The license type is: Engineering

The RFQ Packet is available on November 10, 2025.

Firms can obtain the RFQ Packet by completing the registration form on BuildingConnected at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>

Final selection and appointment is contingent upon funding and budget approval. Every effort will be made to ensure that all persons, regardless of race, religion, sex, color, ethnicity and national origin have equal access to contracts and other business opportunities with the University. Each candidate firm will be required to show evidence of its equal employment opportunity policy.

For technical inquiries not covered by this Qualification process, please submit your inquiry using BuildingConnected.

Responses MUST be received no later than **Monday, November 24, 2025 at 12:00 pm** in order to be considered.
