REQUEST FOR QUALIFICATIONS for Architectural/Engineering Design Services

The University of California, San Francisco (UCSF) – Facility Services is requesting written responses to this Qualification Packet from qualified firms to provide professional consulting services for the PRJ-000484 PH MU Exterior Ramp Replacement project. The successful firm shall provide architectural/engineering and accessibility design services.

The UCSF Millberry Union Ramp Accessibility Improvements project will address accessibility deficiencies in the primary accessible route connecting the Millberry Union Garage (the primary patient parking location for the Parnassus Heights campus) to the Millberry Union building and adjacent medical services. The project will improve ADA/CBC compliance, usability, and safety of this high-traffic path of travel for patients, visitors, staff, and service operations.

The license type is: Architectural, Engineering

The RFQ Packet is available on June 23, 2026.

Firms can obtain the RFQ Packet by completing the registration form on BuildingConnected at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>

Final selection and appointment is contingent upon funding and budget approval. Every effort will be made to ensure that all persons, regardless of race, religion, sex, color, ethnicity and national origin have equal access to contracts and other business opportunities with the University. Each candidate firm will be required to show evidence of its equal employment opportunity policy.

For technical inquiries not covered by this Qualification process, please submit your inquiry using BuildingConnected.

Responses MUST be received no later than **Wednesday, July 8, 2026 at 12:00 PM** in order to be considered.
