REQUEST FOR QUALIFICATIONS
for
ARCHITECTURAL & ENGINEERING SERVICES

The University of California, San Francisco (UCSF) – Real Estate is requesting written responses to this Qualification Packet from qualified firms to provide professional consulting services for the MB HD STEAM SITE PIPE REPAIRS (PRJ-000648) project. The successful firm shall provide design, regulatory agency approval, construction bidding assistance, construction administration services, and project closeout services.

The purpose of the project is to repair a 6-inch underground steam pipe serving the Helen Diller Building in the Mission Bay Campus to address water intrusion issues.

The license type is: Architectural, Engineering

The RFQ Packet is available on June 23, 2026.

Firms can obtain the RFQ Packet by completing the registration form on BuildingConnected at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>

Final selection and appointment is contingent upon funding and budget approval. Every effort will be made to ensure that all persons, regardless of race, religion, sex, color, ethnicity and national origin have equal access to contracts and other business opportunities with the University. Each candidate firm will be required to show evidence of its equal employment opportunity policy.

For technical inquiries not covered by this Qualification process, please submit your inquiry using BuildingConnected.

Responses **MUST** be received no later than **Wednesday, July 8, 2026 at 12:00 pm** in order to be considered.
