

**UNIVERSITY OF CALIFORNIA, SAN FRANCISCO
REAL ESTATE**

Agency: UCSF – Real Estate

Project Title: UCSF Geotechnical Plan Review and Peer Review Services

Project Description: UCSF Real Estate is requesting written responses to this Qualification Packet from qualified firms to provide professional consulting services for the UCSF Geotechnical Plan Review and Peer Review Services project. The successful firm shall provide geotechnical and ground motion studies and plan and peer review services for various projects.

The selected firms will demonstrate a proven ability to handle responsibilities that include: professional consulting services for geotechnical and ground motion studies and to provide plan and peer review services and construction observation on behalf of the UCSF Designated Campus Building Official (DCBO) to ensure compliance with the California Code of Regulations Title 24, UC Seismic Policy, and National Recognized Standards. These services may be used for ongoing efforts at any of UCSF’s main campuses such as Parnassus, Mount Zion, and Mission Bay; owned or leased sites excluding hospitals.

Those wishing to be considered must respond to the requirements of the Qualification Packet available in Building Connected. Visit <https://realestate.ucsf.edu/request-qualifications> and click on the link for the University of California Public Plan Room.

Final selection and appointment is contingent upon funding and budget approval. Every effort will be made to ensure that all persons, regardless of race, religion, sex, color, ethnicity and national origin have equal access to contracts and other business opportunities with the University. Each candidate firm will be required to show evidence of its equal employment opportunity policy.

For technical inquiries not covered by this Qualification process, please submit your inquiry using BuildingConnected.
