## REQUEST FOR QUALIFICATIONS for Architectural & Engineering Design Services

The University of California, San Francisco (UCSF) – Real Estate is requesting written responses to this Qualification Packet from qualified firms to provide professional consulting services for the Blanket – Elevator Modernization Upgrades projects. The successful firm shall provide Architectural and Engineering Design services.

The purpose of the RFQ is to hire a pool of qualified architectural firms to provide full architectural and engineering services for elevator modernization projects. These projects include various code upgrades to MEP building systems to support the elevator Modernization. The scope of services includes, but is not limited to, Schematic Design, Design Development, Construction Documents. Construction Cost Estimating, Bidding Phase, Construction Administration, and Project Closeout.

The license type is: Architectural & Engineering

The RFQ Packet is available on March 10, 2025.

Firms can obtain the RFQ Packet by completing the registration form on BuildingConnected at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>.

Final selection and appointment is contingent upon funding and budget approval. Every effort will be made to ensure that all persons, regardless of race, religion, sex, color, ethnicity and national origin have equal access to contracts and other business opportunities with the University. Each candidate firm will be required to show evidence of its equal employment opportunity policy.

For technical inquiries not covered by this Qualification process, please submit your inquiry using BuildingConnected.

Responses **MUST** be received no later than **March 26, 2025 at 12:00 pm** in order to be considered.
