## REQUEST FOR QUALIFICATIONS for Architectural Design & Engineering Services

The University of California, San Francisco (UCSF) – Real Estate is requesting written responses to this Qualification Packet from qualified firms to provide professional consulting services for the MB CVRI Window Repairs (PRJ-000509) project. The successful firm shall provide architectural design and engineering services.

The purpose of the project is to determine the phasing and approach to develop design and construction documents that define the work that will be required for a qualified General Contractor to complete the installation of all work included in the repair work mitigating water intrusion into the Smith Cardiovascular Research Building.

The license type is: Architectural & Engineering

The RFQ Packet is available on April 2, 2025.

Firms can obtain the RFQ Packet by completing the registration form on BuildingConnected at <https://app.buildingconnected.com/public/654ab4b90da0a10035053c78>

Final selection and appointment is contingent upon funding and budget approval. Every effort will be made to ensure that all persons, regardless of race, religion, sex, color, ethnicity and national origin have equal access to contracts and other business opportunities with the University. Each candidate firm will be required to show evidence of its equal employment opportunity policy.

For technical inquiries not covered by this Qualification process, please submit your inquiry using BuildingConnected.

Responses **MUST** be received no later than **April 17, 2025 at 12:00 pm** in order to be considered.
