Bid Opportunity Notice

The University of California, San Francisco (UCSF) – Real Estate is seeking responses to the University's prequalification documents for PRJ-000184 Mission Bay Genentech Hall HVAC Optimization Project.

The purpose of the project is the implementation of energy performance improvement measures related to HVAC and Lighting. This project will significantly improve the building energy performance and reduce energy consumption.

The estimated construction cost range for the project is \$4,500,000.

The license classification and code is B - General Building.

The Prequalification Documents are available on July 14, 2023. Firms are required to register as a supplier and complete the registration form at <https://app.buildingconnected.com/public/55b2899376365309004aefcc> Firms can obtain the documents from the issuing office through the online bidding system, BuildingConnected.

Responses MUST be received no later than **Monday, July 31, 2023 at 2:00 pm** in order to be considered.
